

# IMPACT THE WORLD WITH BEACON GOALS

## WHY SHOULD WE SET BEACON GOALS?

Constructed to withstand storms, the guiding lighthouse beacon is a symbol of constancy and aid. A mariner counts on the beacon to guide him, as it serves as a reliable landmark for him to navigate by. If the mariner searches for but can't find the beacon, there can be devastating results.

**YOUR FAMILY NEEDS TO KNOW WHICH WAY TO GO...  
AND IT NEEDS TO BE THE RIGHT WAY.**

**BEACON GOALS** are what you want your family to live for that aligns the characteristics, desires, and resources of your family with God's word - to make a **REAL DIFFERENCE** in the world!

It is never too late to change your family's direction by setting **BEACON GOALS**. The enemy wants you defeated, but you can **CHOOSE VICTORY** by correcting your course!

When parents put together a family vision plan with goals and get their kids involved, kids are happier and more filled with purpose! They feel important and see the bigger picture as they see God using their family.

Too often, our habits and rhythms don't actually compliment what we would say our values and goals are.

So let's carefully evaluate...

Are you willing to separate from or avoid activities that don't align with your goals or don't align with scripture? Does your current family life reflect the values you desire your children to carry on **TO THEIR OWN FAMILIES?**
